

Wish Upon A Star

How to make your own star tree decoration with a wish

- 1) Cut out the paper star pattern provided. Make sure to mark the notches.
- 2) Now trace around the paper star pattern on your chosen fabric. You will need to do this twice, and make sure to mark the notches.
- 3) Now, cut the two-star shapes out of the fabric.
- 4) Place your two star-shaped fabrics back to back.
- 5) Stitch around the outside of the star, making sure to leave a 1cm gap between the edge of the fabric and your stitch/staple line. Don't forget to add the ribbon at the top of the star for the hanging loop.
- 6) Leave the bottom of the star open between the two notches.
- 7) Fill the star with your recycled stuffing.

Don't forget to add your wish!

- 8) Sew or staple to close, adding in your ribbon as you do.
- 9) Decorate your ribbon and hang it on the tree.
